SHLD Bible Camp aims to train young men for godliness through an intense week of learning, praying, singing, and focusing on spiritual things. With opportunities for study, worship, mentorship, and friendship, it is designed to be immensely rewarding for the young men who take this opportunity.

A typical day at SHLD Bible Camp will include a rotation of Bible classes taught by experienced teachers, training in worship-leading, group prayer time, group singing, and a presentation on some aspect of service in God's kingdom. Each day will include some free time for recreation, rest, or quiet time. There will also be an expectation that each camper help in service of the camp each day.

### Our name, SHLD, stands for the foundational elements of this camp:

#### SERVICE

Learning to think of others; training to be useful in God's kingdom

#### HOLINESS

Committing to purity of heart and life; rising above sin and worldliness

#### LEADERSHIP

Shining as lights; setting an example in our homes and churches

#### DISCIPLESHIP

Following Jesus together; applying ourselves to learning His Word

By growing in these elements, our prayer is that young men will be better able to take up "the shield of faith" in defense of their souls, their families, and their churches and better equipped to take up "the sword of the Spirit" with wisdom, humility, and courage.

We invite young men (13-20) to add SHLD Bible Camp to their calendar for Summer 2024.
